

DOCUMENTED COST SAVINGS ANALYSIS

CUSTOMER/CLIENT:

Marine Corps Logistics Base (Albany, GA)

Marine Corps Logistics Base, Albany, is one of seven commands under Marine Corps Installations East (Headquarters at Camp Lejeune, North Carolina) and the proud home of Marine Corps Logistics Command and Marine Depot Maintenance Command/Production Plant Albany.

APPLICATION:

MCLB Albany small arms division was having trouble sourcing key components used to manufacture and assemble their small arms weapon systems .50 caliber and under. CIS successfully sourced and provided key components to MCLB in time to avoid a complete production shutdown in a time of war.

SAVINGS:

Soft:

\$1,800,000 Total Cost Savings from Country Innovation & Supply

A handwritten signature in blue ink, appearing to read 'Eva Sauts', is written over a horizontal line.
