

## DOCUMENTED COST SAVINGS ANALYSIS

### CUSTOMER/CLIENT:

Signature Custom Packaging

Signature Custom Packaging is a division of Signature Foods, which was named by Inc. Magazine in 2008 as the 55th fastest growing private company in the United States, and the at least 2nd fastest growing food service company. Signature Foods produces many food products in retail. The most popular of their product lines is Signature Pick #5.

### APPLICATION:

4.33"x1,181' premium thermal transfer resin enhanced wax ribbon.

By changing to a wider ribbon (from 4.02" to 4.33"), it will increase the life of the thermal print due to the act that the label liner will not be able to abrade the printable surface.

### SAVINGS:

Soft: By changing to a wider ribbon (from 4.02" to 4.33"), it will increase the life of the thermal print due to the act that the label liner will not be able to abrade the printable surface.

Hard: 6.5% savings on each product produced from new material.

A handwritten signature in blue ink, appearing to be 'A. Keaton', is written over a horizontal line.
