

# DISSOLVABLE LABELS

## WHAT ARE DISSOLVABLE LABELS?

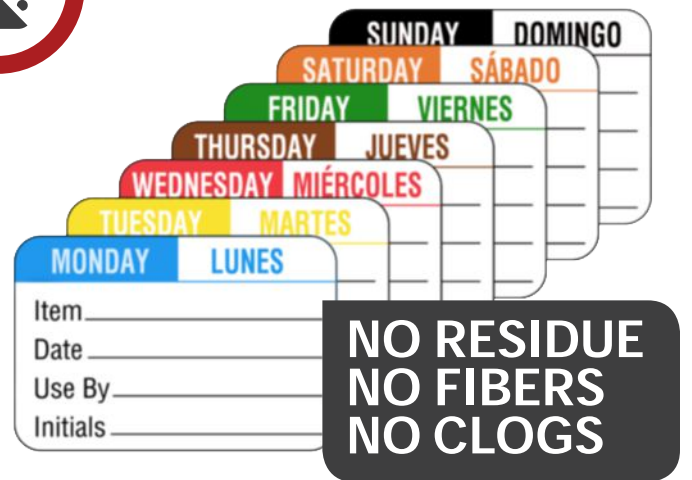

Dissolvable labels are a key ingredient in food safety and rotation applications. They are available in a multipurpose format for many uses or in a day of the week style for easy color coding identification. Custom sizes and colors are also available. A good food safety and rotation program has many benefits and starts with the use of CIS labels.

## BENEFITS OF USING OUR LABELS?

**INCREASE YOUR SALES** by adding dissolvable labels to your product line offering reducing your cost and waste.

**NO MESSY BUILD-UP** CIS's food labels are available in a variety of sizes, shapes, styles, and colors. Our food labels will dissolve in any temperature of water in less than 30 seconds, conserving valuable labor time. These are a safe alternative to masking tape that leaves no adhesive residue. Be assured that our dissolvable labels are FDA-compliant for indirect contact with food and are 100% biodegradable.

Great for labeling portion and prep containers.
