

INCREASE YOUR SALES WITH MEDIA

MEDIA PROGRAM

WHAT IS MEDIA?

You've worked hard to establish your company, and have invested in equipment to produce your own labels. Get the most out of your desktop label printer with our high-quality, optimized media. With it, you will entice customers with labels that accurately display your product and represent your brand.

With CIS media, we can provide a stock line of labels in both pre-diecut and plain rolls. Each option is fully customizable for your specific needs and reordered easily.

WHAT ARE THE PRODUCTS?

We offer several materials suited for both Ink Jet and Laser Printers. In addition, our raw materials manufacturers are constantly developing new supplies that have been tested and approved to be used with your printer model, and so our product offerings will continue to expand.

WHAT ARE THE BENEFITS?

We make working with CIS simple. We offer:

VARIETY: We carry Inkjet and LED Laser stock in both pre-diecut and plain rolls that are customized for your specific business needs.

QUALITY: Each of our products go through rigorous testing to ensure an excellent level of quality.

EXEMPLARY CUSTOMER SERVICE: Consider us your partner in business.

MEDIA-PRINTER-OPTIMIZATION: We offer you the precise media for your desktop printer to produce the best quality labels.

WE TAKE THE GUESSWORK OUT OF FINDING THE RIGHT MEDIA FOR YOUR DESKTOP LABEL PRINTER
